

SportBench Dip Attachment Assembly

Thank you for purchasing the SportBench Dip Attachment. If you have any questions concerning this product, please call customer service at 507-451-7397.

Top image at left shows the SportBench Dip Attachment fully assembled in SportBench.

Image 1 shows the Dip Attachment parts to include the nuts/bolts/washers kit, Dip Handle assembly, Dip Extension and Dip Tightener Knob.

To assemble dip attachment, start by removing the end cap from the SportBench frame tube and placing Dip Extension in tube as shown in image 2.

Next attach Dip Handle Assembly with provided bolts/nuts/washers as shown in image 3 and tighten with wrenches.

Image 4 shows the Dip Attachment assembled in SportBench.

To tighten the Dip Attachment for use, simply tighten the Dip Tightener Knob as shown in image 5.
